PSYC 4165 Final Exam Information
Spring 2020

The Final Exam will be administered on Canvas on Wednesday, 6 April 2020. It was originally scheduled to start at 16:30 and end at 19:00 on that day. Under the pandemic circumstances, however, you will have much more time to complete the whole exam than as if it were given in the classroom.

There are five separate parts to the final exam that will be administered through Canvas and are listed under “Quizzes.”. Each part of the exam has a time limit of 60 minutes, which is approximately two to four times as long as is usually needed. The five parts of the exam may be done in any order although I recommend that you do them in order. Once you start a section of the exam you must complete it. You must do all five parts of the final exam to receive full credit.

The five parts of the final will become accessible starting at 13:00 (1:00 pm MDT) and ending at 20:00 (8:00 pm MDT). You have until 20:00 MDT (8:00pm) to complete and submit all five parts of the exam.

Below is a summary of each of the parts

Part 2.1 Twenty-five multiple choice questions (2 points each for total of 50 points)

Estimated time needed: 25 minutes

Time limit on Canvas: 60 minutes

Part 2.2 Fifteen multiple choice questions taken from the mid-term exam (total 30 points)
