Participate in research on cannabis and health!

In this study, we will ask you how cannabis impacts your health in order to better understand how it might help other people in the future. We will also ask you if you want to participate in future, more detailed, paid studies on the health effects of cannabis!

What you will do:
- Complete 1 easy online survey
- Follow this link to participate: goo.gl/SLh3fe

You will be entered to win an iPad!
