CT1-30-03, Oscar and Jack

- Big environmental differences (but not extreme?)
- Big differences in political views
- Similarities in many other characteristics: Read books back to front, Flushed toilet before and after use, Enjoyed sneezing loudly in crowded elevators, wore rubber bands on wrists, same type of glasses, shirts, liked hot food.
- Similar in some personality measures and IQ
- Both might have been killed by Mengle had they stayed together in Germany.
